What are the entry requirements?

There are no formal requirements for this qualification other than you need to be in employed within a job role that allows you to meet the criteria for the qualification.

What career opportunities can this lead to?

Once you have completed this course you can progress onto the level 5 Health and Safety as long as your job role meets the criteria.

What does this programme involve?

The Health and Safety level 3 qualification is delivered fully in the workplace and the Mandatory units are:
- Ensure responsibility for actions to reduce risks to health and safety
- Develop procedures to safely control work operations
- Monitor procedures to safely control work operations
- Promote a culture of health and safety in the workplace
- Conduct a H&S risk assessment of the workplace

How is the programme taught and assessed?

Once you have enrolled onto the programme you will be assigned an assessor that will visit you in the workplace regularly. They will complete assessment plans and reviews with you to keep you on target. They will support you in the collection of the required evidence needed for your qualification through different assessment methods such as; professional discussion, observations, written questions, verbal questions, witness statements and any assignments.

What else do I need to know?

This level is ideal if your job involves health and safety and you have experience of developing and applying policy and procedures within your organisation. You want to develop your professional skills further. To earn a qualification, you must complete a range of mandatory and optional units, including:
- Ensure responsibility for actions to reduce risks to health and safety
- Promote a culture of health and safety in the workplace
- Conduct a health and safety risk assessment of the workplace

If you are a Levy paying employer, the cost of training will be funded through your digital account. If you are a non-levy paying employer you will pay 5% of the cost of training. For full details on fees, or for any other enquiries please contact experts@eastleigh.ac.uk or call 023 8091 1195.
